**FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION**

**April 6, 2007**

**TO:** Honorable Kevin Bailey, Chair, House Committee on Urban Affairs

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB350** by Ellis (Relating to a request for a public hearing before requiring the abatement of certain nuisances.), **As Engrossed**

<b>No fiscal implication to the State is anticipated.</b>
---

The bill would amend Section 683.074(b)(2), Transportation Code, by changing the requirements associated with holding a public hearing before removing a public nuisance. Under current statute, a public hearing is required prior to removal of the nuisance; under the proposed legislation, a public hearing would be required only on request of a person who receives notice the nuisance must be abated and removed.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
